

Free Instructions to make a box for *The Grand*

- 1) **Lid and Base** – cut 2 pieces size 18.7cm by 18.7cm
- 2) Score all four sides on each piece using the Datum line from the Keepsake Illusion Board
- 3) Cut a small triangle at each corner and glue all four corners on each piece to make the lid and the base.
- 4) The Body - Cut four pieces size 16cm by 21cm – Score the long side only once on each piece using the Datum Line.
- 5) Glue each piece separately into the base and then together by glueing the flap to the next section to form the box body
- 6) Pop on the lid.
